EXPERIENCE

JOBS FOR THE FUTURE

Oakland, CA

Program Manager, Inclusive Regional Economic Development

Jan. 2022 - Present

- Lead the development of a quantitative assessment tool for informing Californian economic development strategies.
- Evaluate sectoral and occupational trends to guide Verizon in training 500,000 under-represented individuals for promising tech careers. As content lead, manage team of three and present findings to clients.
- Lead the development of a dashboard for local policymakers to assess readiness of workforce for green transformation and identify commonalities with other regions to form partnerships.
- Co-led internal effort to improve inclusion in project work through collaborative design sessions and learning. Scaled initiative across entire organization.
- Led organization to sign “Call for Action” of global collaborative enterprise comprising world-renowned think tanks. Elevated our work to one of most influential global governance and economic development audiences (G20, G7, T20).
