EXPERIENCE

JOBS FOR THE FUTURE

Oakland, CA, USA

Program Manager, Inclusive Regional Economic Development

Jan. 2022 - Present

- Guided Verizon's training initiative for 500,000 under-represented individuals by evaluating sectoral trends. Secured \$123,000 for project expansion.
- Developed a dashboard of local workforce green transformation readiness, fostering strategic partnerships.
- Analysed US job displacement from Artificial Intelligence to identify in-demand and resilient skills.
- Led the development of a quantitative assessment tool informing Californian economic policy strategies.
- Co-led internal effort to improve inclusion in project work, scaling initiative across entire organization.
- Led organization to sign "Call for Action" of global collaborative, elevating our work to the G20 and G7.

OFCE (French Economic Observatory, Sciences Po)

Paris, France

Research Assistant

May 2021 - Jan. 2022

- Evaluated fiscal policy in novel way, connected research to Bank of France and Bank of England studies.

Internship

Mar. 2020 - Sep. 2020

- Compiled fiscal policy databases and collected multi-lingual Budget data for analysis.

PROJECTS

New Economic Development (NED) Dashboard

Spearheaded the development of an interdisciplinary quantitative assessment tool of local economic development and quality of life (*see: <https://ned-dashboard.onrender.com>*).

- Built a novel framework integrating insights from frontier research and community-based organizations.
- Leveraged advanced data analytics techniques to collect, analyse, and interpret complex economic data.
- Designed and implemented user-friendly public website with interactive data visualizations.

Impact: The NED Dashboard serves as a powerful tool for assessing inclusive economic prosperity and well-being. Its user-friendly interface enables informed decision-making and supports efforts to promote equitable, durable development at the local level.

EDUCATION

SCIENCES PO

Paris, France

Master of Research, Economics

Aug. 2018 - Sep. 2020

- Fulbright Scholar, awarded 2018 by US Department of State.
- Thesis on economic growth and wellbeing published in University of Oxford review.
